GEORGIA DOT BEGINS MOWING ON I-75 IN SOUTH GEORGIA

TIFTON, GA. - The Georgia Department of Transportation announces that mowing has started on I-75 in South Georgia. Contractor mowing crews began mowing I-75 on August 3 in Crisp County and will continue mowing to the Georgia-Florida line. These crews will be mowing only the sections that are not under construction.

Some construction work zone areas on I-75 are also being mowed by contract mowing crews hired by the construction contractor.

Georgia DOT urges travelers to call 511 for updated information about this or any other construction project on interstates and state routes. Georgia 511 is a free phone service that provides real-time traffic and travel information statewide, such as traffic conditions, incidents, lane closures, and delays due to inclement weather. Callers also can transfer to operators to request assistance or report incidents 24 hours a day, seven days a week. More information is available at www.511ga.org.

The Georgia Department of Transportation is committed to providing a safe, seamless and sustainable transportation system that supports Georgia's economy and is sensitive to both its citizens and its environment. For general information on the Georgia DOT, please visit our Web site (www.dot.ga.gov).
